Dear Sir/Madam,

Temporary Traffic Regulation Order – **Smugglers Lane, and Middlehill Road, Colehill.**

We need to temporarily restrict use of **Smugglers Lane, and Middlehill Road, Colehill**, from the 5th August 2013, to the 16th August 2013.

To enable us to safely carry out maintenance work to the road we need to close the road, for two (2) weeks, from 5th August 2013 to 16th August 2013, not including the weekend. This is part of the traffic and safety management for a scheme that is part of our programme of major maintenance works to the county roads.

The scheme is Smugglers Lane, and Middlehill Road, Colehill, and consists of planing off the failing Surfacing Course, from west of the Vicarage, to Bridleway, and relaying with a new Surfacing Course.

The detail of the section of road affected is illustrated on the attached plan. This work will be staged, starting at Bridleway, and continuing to Smugglers Lane. The closure will be phased, with access for residents maintained, so far as is possible. However, obviously, at times, access will not be possible.

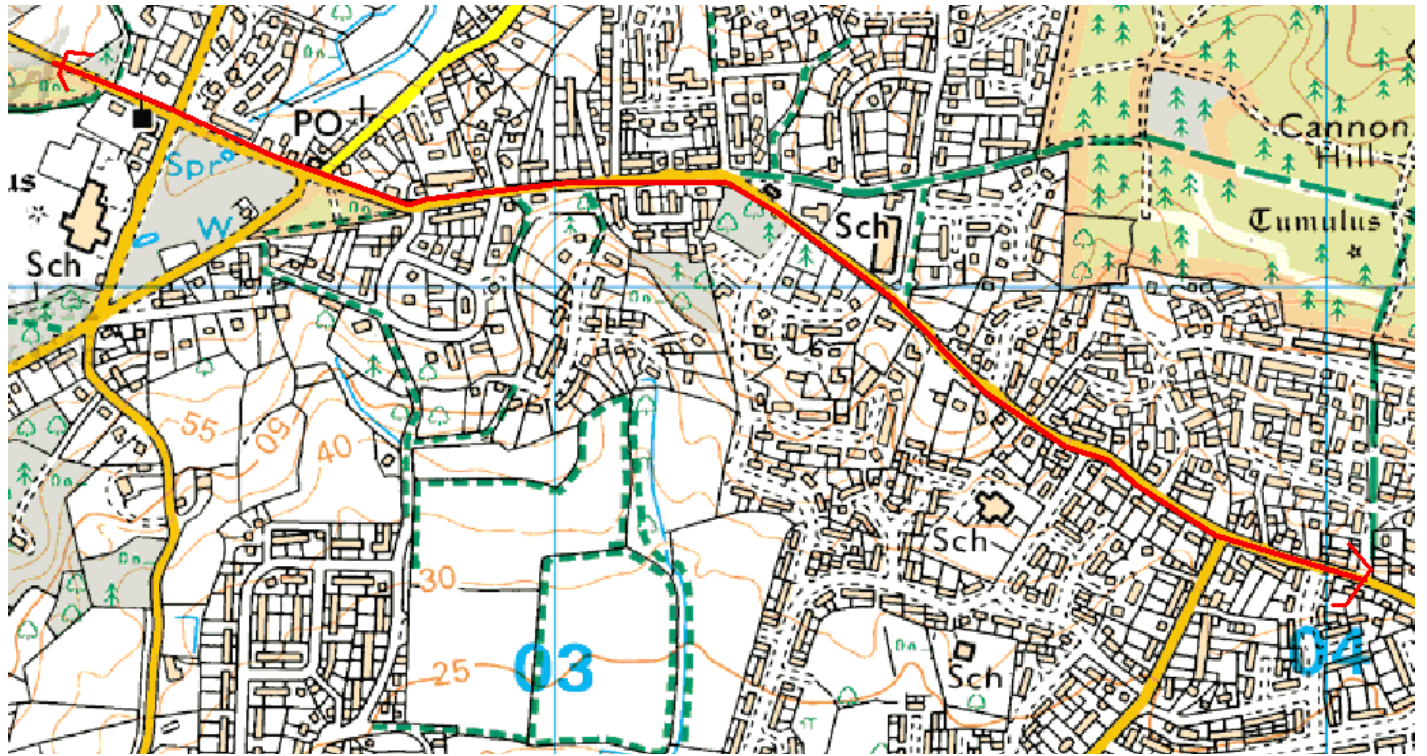

Access for emergency vehicles will be maintained at all times.

Yours sincerely

Andrew Randell
Technical Officer
