131 ED COMMUNITY PARTNERSHIP

MINUTES 81 and 90 refer

The Chairman welcomed Neil Farmer, Head of EDDC Community Services and Jackie Morris, Community Strategy Officer.

Jackie Morris gave an update on the structure and outline of ED Community Partnership with particular focus on the role of the Local Action Groups and ways in which Parish and Town Councils could benefit from involvement in the Partnership process.

Neil Farmer circulated details of the achievements of the Partnership since its inception in January 2003. The East Dorset Community Plan had been formed based on the six identified themes of Crime & Safety, Environment, Traffic & Transport, Youth Issues, Health and Housing. Local people had become involved in key activities and links had been strengthened between elected members and other organisations.

There followed a time of questions. Mr Farmer emphasised that there was no conflict between the work of Local Action Groups and that of Local Councils. He encouraged the Parish Council to take a stronger role in supporting the Wimborne & District Local Action Group and offered to broker a meeting with the Action Group if that was the Parish Council's wish.

Cllr John Gooch thanked the Officers for their attendance.

Cllr Janet Dover, having joined the meeting, assumed the Chair at the conclusion of this item.

132 WILDLIFE & COUNTRYSIDE ACT 1981

DCC (BRIDLEWAY AT CANFORD BOTTOM, WIMBORNE)

Further to Minute 36.May 2003, notification was received that DCC proposed to make a Definitive Map and Statement Modification Order creating a Bridleway along the former railway line accessed from opposite 192 Wimborne Road, Ferndown. This path bordered the Parish boundary between Colehill and Ferndown.

RESOLVED that no objection be raised to the proposed Order.

**133 FP 24 - SMUGGLERS LANE TO
FP 22 (COBBS ROAD TO LONG LANE)**

A letter dated 8 July from Mrs Jean Heaton, County Access & Bridleway Officer for the British Horse Society had been circulated to Members. Mrs Heaton asked that the Council, as landowner, to consider requesting the County Council to upgrade FP24 (Middlehill Road to FP 22) to Bridleway status. This might then form part of an off-road route from Dogdean to Pilford

Heath Road (via The Triangle and FP 21 at Kyrchil Corner) for riders to access Cannon Hill Plantation.

A second letter was read to the meeting from Mrs Ann Poole of Dogdean Farm who claimed to have ridden FP 24 and the continuing FP22 to Long Lane for a period in excess of 20 years to avoid the traffic on Smugglers Lane. Members felt that FP 24 could not be viewed in isolation as it linked with FP22 to Long Lane via Chapel Cottage. Both paths were too narrow for designation as Bridleways and there would not be room for walkers and riders to pass in safety. Concern was also expressed about damage to path surfaces by horses.

Following a full discussion, it was RESOLVED that this Council do not support a request to DCC for FP 24 to be upgraded to a Bridleway.
