RESOLVED that the report be approved and adopted.

318.11 **COMMUNITY RUN LIBRARY**

The Chairman thanked Cllr Smith and Messrs Gooch and Henderson for the draft business plan and figures.

Cllr Davies reported on the results of the questionnaire. All 3000 households had received the questionnaire and 308 had responded.

Out of the 308 responses, 294 supported a community library, with 14 being against. The number of residents prepared to contribute towards the running of the library was 263, with 43 against. The number of residents prepared to volunteer was 111.

The Chairman advised on the public meeting and expressed his disappointment that the attendance numbers had not been greater.

Cllr Francis said that he did not agree with supporting a community run library in principal, because of the double taxation.

Cllr Packer said that the public had shown a willingness for the library and the Council owed it to the majority to be in favour of supporting a community run library.

Cllr Dover said that she was concerned for the children in Colehill if there was no library. She advised that the democratic process at DCC had now stopped and the Parish Council needed to consider the young and elderly residents in particular. She said that the library was key to the community.

The Chairman advised that in deciding whether to award a grant towards a community run library Members needed to consider the following:

- (a) **Were there adequate volunteers to make up an initial Management Committee.** Cllr Dover proposed, seconded by Cllr Packer, that there were adequate volunteers.

Members agreed that the library must not be a Parish Council run facility and there should be no day to day involvement of the Council.

- (b) **Was there adequate support from volunteers.** Cllr Johnson proposed, seconded by Cllr Dover, that there was adequate support from volunteers.

- (c) **Whether to award a £10,500 grant.** Cllr Smith proposed, seconded by Cllr Dover, that a £10,500 grant should be awarded. The grant would be issued in stages and the first quarter would be awarded on 17 April 2012.

- (d) **The frequency that the Management Committee should report back to Council.** Cllr Smith proposed, seconded by Cllr Johnson, that the Council representative on the Management Committee report progress at Council meetings. Other members of the Management Committee could attend when required.

Cllrs Holloway and Packer advised that the Council should have an exit strategy. This would have to be taken into account during the setting up of the Management Committee.

- (e) **The Management Committee's hall hire and expenses**
Cllr Smith proposed, seconded by Cllr Packer, that hall hire and expenses would be paid by the Council.

With (a) to (e) being satisfactory, Cllr Smith proposed, seconded by Cllr Packer, that the Council fund a community run library through an increase in the precept. 7:4. *(Those against explained they were against the double taxation and not against a community run library).*

RESOLVED that the Council fund a community run library through an increase in the precept. The £10,500 grant would be awarded under Section 137 of the Local Government Act 1972 and would have to be applied for annually.

319.11

PRECEPT

Finance and General Purposes Committee had recommended a Parish Council Tax Levy of £24.50, with it increasing to £28.00 if Council decided to support a community run library.

Cllr Johnson proposed a Parish Council Tax Levy of £28.00, seconded by Cllr Cowsill. 8-3.

RESOLVED that a precept of £83916.00 be levied on the District Council. This gave an equivalent Parish Council Tax Levy of £28.00, a 19.1% increase on that for 2011/12. The budget for 2012/13 of £287502.14 be APPROVED.

320.11

QUEEN'S DIAMOND JUBILEE

Cllr Davies advised that if the Council decided to hold an event to celebrate the Queen's Diamond Jubilee then Members would need to take on specific tasks.

Cllr Gretton thought that the Council would be competing with organisations that were much better placed to put on celebrations. She said that given the lack of support from the public at the barbecue it could mean a lot of hard work for hardly any reward.

Cllr Warren agreed with Cllr Gretton and considered that it was clear the public did not want an event.

Cllr Davies asked that the Clerk find out what other parish and town councils were doing to celebrate the Queen's Diamond Jubilee and report the findings back to the next Council meeting for a final decision.

RESOLVED that the Jubilee plans of other parish and town councils be reported at the next Council meeting.

321.11
