14/56 CLERKS REPORT**a) Minute No: 14/07**

(4c) Roof on toilet block not yet repaired or tiles missing from the Chapel replaced.

Clerk has contacted 3 roofing companies recently in respect of carrying out the work but to date, no one has followed this up

(4d) Deeds for cemetery now received from Land Registry

b) Minute No: 14/37

A solicitor has been contacted with regard to the boundary line between the cemetery and St Margarets Close.

14/57 INFORMATION**Minute No: 14/37 (b)**

Advice was requested from a solicitor with regard to the boundary fence that the owner of No.6 St Margarets Close has been asked to replace. The solicitor advised that taking action to enforce this could result in legal charges exceeding the cost of a fence. Therefore the WCJMC would probably find it advisable to reinstate a fence at the committee's own costs, between the cemetery boundary and No. 6 St. Margarets Close.

The annual letter sent to the three properties in St. Margarets Close was also discussed and the solicitor advised that they should continue to be sent. This is a reminder to residents on a regular basis that they are allowed the use of the strip of land between the cemetery and the rear boundary of their property and that this can be reviewed on an annual basis. The cemetery superintendent to check the ditch levels on a regular basis.

The Clerk informed councillors that Douch and Small are making arrangements to join BRAMM
