

# FERNDOWN NEIGHBOURHOOD WATCH

## List of local tradesmen for 2016 – 2018

We were asked by our members to list local tradesmen who you have found to be “bona fide’ and recommended by you. This list is provided for your assistance and your “Neighbourhood Watch” cannot be held responsible for any work carried out by these tradesmen which may fall below the standards that YOU expect. In all cases where you are intending to have work carried out, you should contact at least three companies or individuals and obtain a written quotation or specification for the project. We, the Police and Trading Standards, advise you against entering into contracts with itinerant tradesmen calling on you and offering to do the work cheaply. There are many good tradesmen in Ferndown and the surrounding areas that are not herewith listed who have given good service in the past, in which case we recommend that you carry on using them.
