6. Clerk's Report

To note items for information included in the Clerk's Report (copy herewith on white paper).

7. Colehill Traffic Proposals

To further discuss the traffic proposals put forward by Cllr Mitchell at the Highways and Plans committee on 20 June. At this meeting it was suggested that a working party should be set up to consider ideas and to meet with DCC officers. The Council already has a Highway Improvements Working Party, the Members being Cllrs Cowsill, I Dickins, Lawrence and Urquhart. To appoint any other Members to this Party.

8. **Bollards at Middlehill Road**

The bollards surrounding the green at Middlehill Road, opposite the Co-op, are starting to look worn and the area would benefit from having them replaced. Dorset County Council has been asked to provide a quotation for this work and also for installing a lockable post that would enable access to official vehicles. DCC has also been asked to provide quotations for installing bollards on the opposite side, at Triangle Wood.

It is hoped that the quotations will be available at the meeting for Members' consideration.

9. **Allotments**

Members will know that for many years the Council has been unsuccessful in providing allotments for the residents of Colehill. Following the boundary changes, which moved the proposed Cranborne Road development into Wimborne Minster Town Council's boundary, a request was sent to WMTC asking that some arrangement be made whereby the site at Dogdean could be shared by Colehill and Wimborne. WMTC deferred making a decision on this as Cllr Bartlett wished to meet with the Chairmen of the Wimborne, Colehill and Pamphill allotment associations. This matter is still ongoing. In the meantime, it has been suggested that the Council could consider whether purchasing some agricultural land would be the way forward.

The Clerk to report further on this matter and Members to decide whether purchasing some agricultural land is something that could be investigated.
