<b>PA No</b>	<b>Development Proposed</b>
3/18/0695/HOU	<p>5 Kyrchil Way</p> <p>Create basement level garage along with two storey front &amp; side extension, a single storey rear extension and partial first floor extension over.</p> <p>Objection. The Council considers that it is an overdevelopment of the site due to the proposed building height and that the development is not in keeping with the area. The Council is concerned about the balcony and the impact it will have on neighbouring properties. Finally, the Council supports the neighbours' objections to this development and wishes to highlight that Kyrchil Way is an unmade road.</p>

3/18/0442/HOU	21 Mallard Road Install front dormer with pitched roof.  Objection on the basis of the design being poor on the front of the elevation and not in keeping with other properties in the area.
3/18/0058/HOU	71 The Vineries Two storey side extension.  No objection
3/18/0713/HOU	86 Lonnen Road Raise roof to form two storey dwelling.  Objection on the grounds of overdevelopment of the site and that it is not in keeping with the area.
