144.19 CLIMATE EMERGENCY

Cllr Roe spoke about the Climate Emergency the world is facing, along with some facts and figure about what other Councils in the country and region are doing, and that Wimborne declared a Climate emergency last month. Cllr Dover said she was enthused by this challenge and that Colehill could rise to it. Cllr Cunningham commented that China and India need to be made aware of the Climate Emergency. Cllrs Roberts, Morawiec and Gibson expressed concern that if the Council declare a climate emergency then no action is taken, the Council could face criticism and that funds should be made aware from either Dorset Council and/or central government. Cllr Bridle said that there clearly is an emergency and that there is no time to waste in acknowledging it.

An amendment was proposed by Cllr Mitchell that Colehill Parish Council will immediately set up a working group to examine the climate emergency, establish what impact it has on Colehill and decide upon action to be taken which was seconded by Cllr Roberts.

Cllr Urquhart said a Recorded vote should be held as on such an important matter the public should be able to see how Councillors voted. The votes were as follows:

There was lots of information available online about what other towns and parishes would like to do. Cllr Morawiec said we should also think about the VJ anniversary. Cllr Bridle said it would be good to find out about what other neighbouring Parishes and Towns were doing. It was AGREED that a Working Party would be set up to include members of the public to look at what could be arranged.

147.19 WALKING THE VILLAGE BOUNDARY

Cllr Davison said that she had been looking at walking the village boundary and perhaps October before it gets too cold would be a good idea. It was AGREED that a weekend would be preferable and most of the Councillors expressed an interest in taking part with only 3 not interested or able.

Cllr Mitchell proposed an amendment to the motion, which was seconded by Cllr Gibson to only use Glyphosate if there is no other option. This was AGREED.

150.19 CONSORT BADGE

Cllr Urquhart made representations on buying a Consort badge which had previously been discussed with the Finance and General Purposes Committee. Various options and prices ranges were looked at from Fattorini, the company who made and repair the Chairman's badge. Other companies had been contacted but a mould would need to be made first which adds cost on. Cllr Packer proposed that Pendant B from the options be chosen with a price of £550 +VAT, which was seconded by Cllr Bridle. A vote was held and the outcome was 14/2.
