PA NO	ADDRESS & DEVELOPMENT PROPOSED

205.24 HIGHWAY MATTERS FOR REPORT

- (a) Dorset Council have launched a public consultation to turn Burts Hill into a 20mph which is our area and we do not know anything about it. It has since been suggested that perhaps the application Wimborne Minster Town Council have made does not extent all the way up Burts Hill and and that Dorset Council have in fact extended the application themselves. The process does not seem to have been followed and no consultation at our end has taken place. The Clerk will write to Cllr Jon Andrews to request an extension to at least mid-December to enable us to conduct a public consultation with the results being brought before full Council in December. Dorset Councillors Andy Todd and Jindy Atwal will be copied in.

206.24 ITEMS FOR DISCUSSION AND CLOSE OF MEETING

Nothing to report.

The Meeting ended at 8:36 pm.
