579.21 PLANNING APPLICATIONS

The following applications were submitted and comments were recorded as follows:

PA NO	DEVELOPMENT PROPOSED
3/21/0192/HOU	Whitecot, Furzehill Addition of storey and rooms-in-roof to bungalow (alternative scheme) We continue to OBJECT to this large expansion in Greenbelt and remain concerned regarding the parking provision particularly the difficulty with the narrow nature of Furzehill and non-availability of roadside parking.
3/21/0232/FUL	6 Hayes Lane Erection of 1 No 3 bedroom bungalow with parking following the demolition of garage, shed and timber building. OBJECTION – the width of the access is too narrow to comply with fire service requirements despite the mention of sprinklers which is no substitute for a fire appliance. All parts of the property would not be accessible within 45 metres of a fire appliance – please consult with DW Fire. Also there is not space within the curtilage for vehicles to turn round. 2 properties also require a visitor space.

3/21/0255/FUL	<p>4 Hayes Lane Erection of 2 double storey bungalows at the rear of the site with associated access and parking.</p> <p>OBJECTION -The Dorset Parking calculator requires 8 parking spaces for a development of this size. The property is in very close proximity to the petrol station and the junction with Wimborne Rd West and assumption shouldn't be made that visitors can park on the road outside.</p>
3/21/0197/FUL	<p>120A Wimborne Road West Change of use of former retail (Class A1) to new hand car wash facility (Sui Generis).</p> <p>OBJECTION – We support the objections of the neighbours in Henbest Close in terms of excessive noise of pressure washers and associated equipment, which is likely to be deleterious to their quality of life in their houses and gardens.</p>
The following applications were not discussed as no members of the public attended and requested it to be discussed and no Councillor felt it necessary to do so. 'No comment' will be submitted to Dorset Council.	
3/21/0212/HOU	<p>23 Northleigh Lane Rear extension to include a balcony</p>
3/21/0338/CONDR	<p>Park Farm, Leigh Road Application to Vary Condition 6 of Approved P/A 3/15/0789/COU (Hybrid Planning Application comprising 1) Outline planning application for residential development with associated roads, parking, turning and amenity areas; provision of local centre; provision of public open space, landscaped areas and allotments; provision of Rugby Club including clubhouse, parking and pitches; and 2) Full Planning application for change of use of agricultural land to (SANG) Suitable Alternative Natural Greenspace.) To regularise the planning permission in line with the Minor Works Agreement we have with the Highways Authority to use the existing access arrangement on a temporary basis until the occupation of the 150th dwelling within the development site</p>
3/21/0134/RM	<p>Minster Gate Wimborne Reserved matters details (following approval of 3/14/0016/OUT) for the allotment, car park and associated infrastructure: including the creation of an allotment with provision of family and disable access allotment plots, car parking for the allotments and the SANG, public toilets, picnic benches and the provision of sheds with concrete basis, with vehicular, cycle and pedestrian access, and associated infrastructure. The outline application was an environmental impact assessment application and was accompanied by an environmental statement when it was submitted to the planning authority.</p>

3/21/0139/HOU	3 Weston Road Raising and widening of existing ridge to create new first floor with new rear extension and enlarged rear terrace. Erection of new side extension involving demolition of existing garage.
3/21/0101/HOU Tania Novachic	33 Wimborne Road Two storey rear extension. Roof alterations and additional side dormers.
