Indicative proposal showing potential built development area and draft landscaping / drainage features

Draft Proposals

We are keen to engage with the local community on our draft proposals for the provision of up to 49 new homes and public multi-functional green space on the above site, alongside investment in local infrastructure. This follows the site's identification as a potential housing allocation in the Council's emerging Local Plan.

These will be presented at a public exhibition on 6th October, details of which are overleaf.

Next Steps

We will aim to address feedback received as far as possible through our planning application, which will be submitted to Dorset Council.

We look forward to meeting you and hearing your views.

Have your say

Land at Leigh Lane, Colehill

We are inviting you to our community consultation on draft proposals for up to 49 new market and affordable homes and public multi-functional green space on the above site.

Date and time

Tuesday 6th October 2026
3pm-7.00pm

Venue

St Michaels Church Centre, Colehill, Dorset, BH21 7AB.

Representatives of our team will be on hand at the drop-in exhibition to answer any questions on the draft proposals.

You will also have the opportunity to leave comments about our draft proposals on a feedback form at the event or afterwards. The comments received will help inform the final planning application.

Can't attend? Following the event you will be able to view the proposals and submit comments online at <https://cgfry-leighlane.clplanning.co.uk> or by scanning the QR code. Comments can also be submitted via the website until **20th October 2026**.
